Your Penny Harvest Office will provide:

- A Penny Harvest Kit with materials for every student in your school
- An award winning curriculum guide with lessons easily linked to state-standards
- Two professional development sessions for your Coach (October, January) **plus** on-going technical and curricular support
- Penny pick up and grants administration
- City-wide recognition for your school and students

As the principal, we ask you to:

- Assign the best possible teacher as "Coach"
- Release your Coach for the two professional development sessions
- Provide your Coach with the support to host assemblies, engage the entire student body and families in this year-long experience, hold frequent student leadership meetings, organize student visits to local organizations and temporary space to store Penny Harvest materials

I hereby verify that my school will participate in the 09/10 Penny Harvest. I understand that by enrolling my school in the Penny Harvest I am empowering my students to decide for themselves how to best improve their community and I am joining a national movement of principals helping students to demonstrate their power in the community through service and philanthropy.
